2007

Matthew is the Associate Pastor for Evangelism, Discipleship, Small Groups, Preaching and Missions at Woodvale Baptist Church in Australia. Before this, he served in pastoral ministry from 1993 to 2003. He and Lori went into missions in 2004, beginning this position in Australia in 2007.

In their ministry, the Munns seek to reach out to Australians by birth along with immigrants from South Africa, Liberia, other former British Colonies, and Eastern Europe. Besides her responsibilities as a wife and mom, Lori accepts various speaking engagements.
